### How the VADS works:

In order to be eligible for the Grand Champion Series Winner & Runner Up, combinations must compete in all 3 Jackpot series and nominate for their appropriate division. Combinations may only nominate for one Division. **One horse, one rider rule applies over the whole 3 Rounds.**

### Divisions:

#### Preparatory

For riders who can walk and trot; some elements of canter. **Junior** division aimed for riders 10 and under.

Senior division for riders who have not ridden or shown for an extended period of time and/or mature riders on green broken horses whose paces and transitions are not established or balanced.

**Derivative Medium Series Grand Champion**

**API Preliminary Series Grand Champion**

**API Novice Series Grand Champion**

**API Elementary Series Grand Champion**

**API Medium Series Grand Champion**

### **General Rules Governing the Victorian Arabian Dressage Series**

All exhibits must be registered with the AHSA and owner/rider/lessee be current (active) members of the AHSA.

One horse, one rider, one division rule across the entire series—riders may not be substituted.

Arabian Performance Index exhibits may not compete in the Derivative Section/Division—a completely separate division has been provided for API horses/ponies.

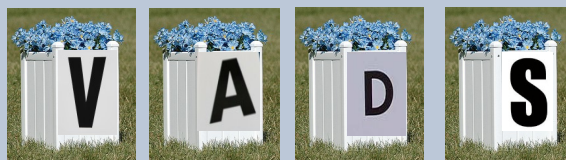

This is an unofficial EV event. Notwithstanding this however, EV equipment rules (bits, bridles, whips, spurs) apply. White saddle blankets with no logos or advertising, bridle numbers or saddle blanket numbers displayed.

EV Dressage judges have been appointed. **TESTS MAY BE CALLED.**

Horses/rider combinations must not compete below their current competition level . Organisers request honesty and fairness from entrants when considering which Tests/Levels to enter.

### **2018 Series**

The 2016/2017 Grand Champion Winner is ineligible/must not compete/enter the same level in the 2018 Series.
